

Document Name	Brief Description	Number of Pages	OPRA Exemption	Why denied	Comments
2010 Alerting, Warning & Communicators Annex	Specifically addresses when and how involved/responsible entities/individuals will be notified in a variety of emergency situations including but not limited to flood, chemical spill, hurricane, blizzard, terrorist attacks, etc. Describes when/how residents are notified of emergency. Identifies individuals responsible for determining whether an emergency exists. Delineates county v. municipality responsibilities. Reveals radio frequencies used to communicate with first responders and law enforcement officials.	38	N.J.S.A. 47:1A-1.1; Executive Order 21 (2002)	The Alerting, Warning and Communications Annex addresses communication methods and strategies to be employed by the County in a variety of emergency situations. Revealing this information to the general public would interfere with and/or sabotage emergency personnel being able to communicate quickly and effectively in an emergency situation.	

Emergency Operations Plan - Vaughn Index

	List of names and phone numbers (home, business, cell, pager, etc.) of individuals to be contacted in the event of an emergency. This list is regularly updated to reflect changes in contact information.	Attached to 2010 Alerting, Warning & Communications Annex	N.J.S.A. 47:1A-1	Personal identifying information	
AWCA 1 County Key Personnel		Attached to 2010 Alerting, Warning & Communications Annex	N.J.S.A. 47:1A-1; Executive Order #21 (2002)	Same reason for denial as the main document	
AWCA 2 Warning Flow Chart/Telephone Fan Out	Phone list and hierarchy to determine who contacts whom in the event of an emergency.	Attached to 2010 Alerting, Warning & Communications Annex	No exemption claimed		
AWCA 3 Outdoor Warning Device Map/ AWCA 4 Warning Device Deficiencies	Discusses responsibilities of other municipalities for outdoor warning systems and incorporation into GIS system.				

<p>AWCA 5 Network Diagram (Frequency Matrix)</p>	<p>Delineates the various frequencies each municipality uses to communicate emergency situations and updates on emergency situations.</p>	<p>Attached to 2010 Alerting, Warning & Communications Annex</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Same reason for denial as the main document; identifies communication frequencies utilized during emergency situations; release would substantially interfere with County's communication capabilities during emergency; subject citizens to potential harm</p>	
<p>AWCA 6 Recall/ Duty Roster</p>	<p>County personnel roster</p>	<p>Attached to 2010 Alerting, Warning & Communications Annex</p>	<p>N.J.S.A. 47:1A-1</p>	<p>Personal identifying information</p>	
<p>AWCA 7 Alerting, Warning and Communications SOP</p>	<p>Sets forth manner in which emergency situations should be described and communicated.</p>	<p>Attached to 2010 Alerting, Warning & Communications Annex</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Same reason for denial as the main document</p>	

Emergency Operations Plan - Vaughn Index

<p>AWCA 8 Inventory of Communications Equipment</p>	<p>Itemized list of devices (primarily radio equipment) used and in the control and care of the County.</p>	<p>Attached to 2010 Alerting, Warning & Communications Annex</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Same reason for denial as the main document; serial number, model, and location of resources and equipment utilized to carry out communication operations in the event of an emergency situation</p>	
<p>AWCA 9 County of Union RACFS Communications Plan</p>	<p>Specifically, lists the frequency waveband that each municipality should use in the event of an emergency.</p>	<p>Attached to 2010 Alerting, Warning & Communications Annex</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Same reason for denial as the main document; specifically identifies communication frequencies</p>	
<p>AWCA 10 County of Union RACFS Instructions</p>	<p>Further instructions on how first responders and law enforcement officials are to communicate using the radio frequencies</p>	<p>Attached to 2010 Alerting, Warning & Communications Annex</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Same reason for denial as the main document</p>	

Emergency Operations Plan – Vaughn Index

		Comprehensive plan that sets forth each and every party that may need to be involved in determining whether an emergency exists, who should be contacted and how. Describes responsibilities by position. References different annexes and attachments that together comprise the totality of the County Emergency Preparedness Plan		21	N.J.S.A. 47:1A-1; Executive Order #21 (2002)	The Basic Plan covers directly and in some instances by reference the roles and responsibilities of major players in maintaining the safety of County residents; disclosure of this annex would jeopardize all other annexes as this annex oversees the implementation of the entire emergency plan	
BPA-3 Responsibility Matrix			Attached to the Basic Plan	No exemption claimed			
BPA-4 Functional Annex Tasks and Responsibilities Assignments		Details responsibilities entrusted to all coordinators regarding each separate annex of the Plan	Attached to the Basic Plan	N.J.S.A. 47:1A-1; Executive Order #21 (2002)	Same reason as provided in above annex		
BPA-5 Proclamation		Sample resolution to be adopted should there be an emergency situation and certain areas must officially be recognized as being a disaster	Attached to the Basic Plan	No exemption claimed			

<p>BPA-6 Hazard Analysis Chart</p>	<p>Sets forth the likelihood of the County experiencing certain types of disasters and estimated response times.</p>	<p>Attached to the Basic Plan</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>This document is purely an estimate of likelihood and if published may be considered a statement of truth about the likelihood of the County being prepared for certain emergencies; release would interfere with warning and response times with regard to specific emergency situations.</p>	
------------------------------------	--	-----------------------------------	---	---	--

<p>BPA-7 Vulnerability Analysis</p>	<p>Identifies area/entities/segments of the population that are most vulnerable should an emergency situation present itself.</p>	<p>Attached to the Basic Plan</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>This document contains information that would violate the privacy rights of County residents; suggests buildings, facilities, and roadways which are more susceptible to damage in the event of an emergency disaster.</p>	
<p>BPA-10 - Union County Police Standard Operating Procedures (CD)</p>	<p>The Standard Operating Procedures followed by Union County Police Department in all situations, included, but not limited to emergency situations.</p>	<p>618</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release of these documents would place Union County Police officers at risk and subject them to acts of sabotage at the hands of malcontents.</p>	

<p>2010 Damage Assessment Annex</p>	<p>Describes how the County assesses and determines the amount of damage suffered in emergency situations. Sets forth the positions of those responsible for assessing the amount of damage. Also divides damages into degrees to describe the severity of the damage. Also, ensures completion of required emergency actions.</p>	<p>10</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Protection of buildings/facilities damaged by emergency situations; Protect parties responsible for conducting the damage assessments to ensure completion of emergency actions.</p>	
<p>DAA-2 Emergency Call List</p>	<p>Roster of Division of Public Works personnel with home phone numbers and cell phone numbers</p>	<p>3</p>	<p>N.J.S.A. 47:1A-1</p>	<p>Personal identifying information</p>	

<p>2010 Emergency Medical Annex</p>	<p>Describes the medical transport options available to the County and how each should be employed in the event of an emergency. Prioritizes transportation order in an emergency situation. References other attachments to be incorporated into the master plan.</p>	<p>9</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>The task of securing medical assistance and transportation during an emergency situation is critical for County residents staying in hospitals and other healthcare facilities throughout the County; this annex lays out the procedures to assist and transport people in need of medical assistance; release of such information will subject such procedures to sabotage.</p>	
-------------------------------------	--	----------	---	---	--

<p>EMA-5 Emergency Medical Services Mutual Aid Agreement (Also listed as EMA-7)</p>	<p>Memorandum of Understanding between the City of New York and the State of New Jersey regarding Health Infrastructure Preparedness and Emergency Response</p>	<p>73</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>This is the response plan between the City of New York and the State of New Jersey; release of this plan would adversely affect other public entities; plan is clearly marked "Confidential;" release would subject not only citizens of New Jersey to potential harm in the event of an emergency, but also citizens of New York; would increase risk of sabotage/terrorism is released.</p>	
---	---	-----------	---	--	--

	<p>Designates protocol for dealing with emergency situations. Provides guidance for the development and operation of a viable emergency operations center program. Coordinates all responses and recovery through one central location or facility; identifies location of emergency operations center and secondary centers.</p>	26	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Release of this annex would expose the emergency operation centers to risk of sabotage/terrorism which would result in complete disruption to the County's ability to properly and effectively manage a disaster or emergency situation</p>	
<p>2010 Emergency Operations Center Annex EOCA-1 Emergency Operation Center Floor Plan</p>	<p>Location of phone jacks in Emergency Operation Center</p>		<p>No exemption claimed</p>		
<p>EOCA-4 EOC SOP</p>	<p>Provides a checklist for emergency management personnel. Includes call logs, EOC operating phone numbers, other codes and procedures for emergency management personnel. Also sets forth reporting protocols.</p>	<p>Included in 2010 Emergency Operations Plan</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Same exemption as claimed for annex</p>	

<p>BOCA-5 Entity Detail Report - Union County Office of Emergency Management</p>	<p>List which identifies and describes the equipment and resources located at County's Office of Emergency Management</p>	<p>8</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release of this document causes the public to become aware of all equipment and resources housed in this facility; subjects County to increase in risk of sabotage or theft</p>	
<p>2010 Emergency Public Info Annex</p>	<p>Sets forth how, when and who notifies the public in an emergency situation. Emergency Public Information Group developed specifically to write press releases, organize a press conference when necessary, and coordinate any other media releases so that emergency management staff can handle the emergency presented.</p>	<p>11</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release of this annex would severely limit the ability of the County to properly communicate with citizens affected by emergency situations</p>	
<p>EPPIA-2 P/O General Procedures/ SOP</p>	<p>Sets policy via standard operating procedures for providing information to the public and the type of information to be shared;</p>	<p>Included in 2010 Emergency Public Info</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Same as reason provided in annex</p>	

<p>EPIA-7 Joint Information Center Procedures</p>	<p>Establishes location and security for media workroom and press conference/media briefing room in the event of an emergency.</p>	<p>Included in 2010 Emergency Public Info</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Security of a facility or location and protection of persons contained therein</p>	
<p>2010 Evacuation Annex</p>	<p>Defines and provides guidance for the development and operation of a viable evacuation program during any emergency or disaster situation to ensure completion of required emergency actions. Responsibilities divided between county and municipalities to identify and transport residents in need of additional assistance in the event of an evacuation. Continuity of government procedures delineated.</p>	<p>29</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release of this annex would adversely affect the County's ability to properly evacuate areas directly affected by emergency situations, thus, would create a risk to the safety of citizens.</p>	<p>Note: This annex consists of only 29 pages</p>
<p>EA 1 Evacuation Routes</p>	<p>Specifically sets forth the routes to be utilized in the event of evacuation.</p>	<p>Included in 2010 Evacuation</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Same reason as provided in above annex</p>	

<p>EA 2 Evacuation SOP</p>	<p>Outlines municipal v. county evacuation responsibilities. Evacuation procedures for prisoners, hospital patients, students, disabled, non-English speaking, elderly.</p>	<p>Included in 2010 Evacuation</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Same reason as provided in above annex; release would also impact a municipality's ability to properly evacuate its residents. Not only would it affect all citizens, but release of this attachment would affect the most vulnerable ones.</p>	
<p>EA-3 (EOCA-1)</p>			<p>No exemption claimed</p>		

<p>EA 5 Transportation Resources</p>	<p>Lists vehicles and access to bus services throughout the county. Transportation specified by town, number of vehicles and capacity of same.</p>	<p>Included in 2010 Evacuation</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Subjects the vehicles and bus services responsible for evacuating citizens with no other mode of transportation to risk of sabotage/terrorism by identifying location and number of buses, thus, creating a risk to citizens in need of evacuation during emergency.</p>	
--------------------------------------	--	------------------------------------	---	---	--

<p>EA-8 Special Interest Group Evacuation</p>	<p>Describes groups of people for whom transportation services must be provided for in the event of an emergency.</p>	<p>Included in 2010 Evacuation</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Same reason as provided in above annex; release would also impact a municipality's ability to properly evacuate its residents. Not only would it affect all citizens, but release of this attachment would affect the most vulnerable ones.</p>	
<p>EA-9</p>	<p>Same document and same reasons for exemption as attachment RPA-3</p>				
<p>EA-11 Population at Risk</p>	<p>List of individuals with disabilities in need of assistance during emergency situations; includes home addresses, phone numbers, email addresses</p>	<p>11</p>	<p>N.J.S.A. 47:1A-1</p>	<p>Privacy; potential HIPAA violations because of identification of disabilities; increase risk of sabotage to these individuals if list of vulnerable citizens is released</p>	

	<p>Provides for the prevention and spread of fire within the County. Also includes technical rescue and hazardous material response. Also assisting other counties when applicable. Includes detailed list of equipment and resources utilized by the County to combat fires. Details communication frequencies and response techniques.</p>	55	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release of this annex would impact the County's ability to prevent/combat fires; would also have a severe impact on a municipality's attempts to do same; thus, people and property would be subject to harm.</p>	
<p>2010 Fire & Rescue</p>	<p>Provides an overview of the duties and responsibilities of County Fire Coordinators and Deputy Coordinators; clarifies primary functions and roles within Union County Mutual Aid network</p>	76	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Same reason as provided above</p>	
<p>FRA 2 Union County Fire Mutual Aid SOP</p>					

<p>IRA-3 Resource/Equipment List of Municipal Fire Departments</p>	<p>List of equipment resources utilized by municipal fire departments</p>	<p>66</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>release of this attachment would impact a municipality's ability to combat fire; place the locations housing this equipment at risk of sabotage/terrorism</p>	
--	---	-----------	---	--	--

<p>FRA 5 Local Fire Mutual Aid Plan</p>	<p>Details the response schedule and assignments of all municipal fire departments in the event of a fire</p>	<p>21</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release of this attachment would identify which fire departments would respond to a particular fire based upon the type and location; would impact the entire County's ability to control a fire by exposing which municipal fire departments are first responders, thus, subjecting people and property to risk of harm.</p>	
---	---	-----------	---	--	--

<p>FRA-6 Statutes/Shelter Locations</p>	<p>The County acknowledges that this attachment includes statutes that are necessary to control the authority of fire departments at the scene of a fire and no exemption is claimed regarding same. However, included in this attachment is a list detailing the location of shelters utilized in the event of an emergency situation, and the County believes this attachment should not be disseminated.</p>	<p>8</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release of the attachment that identifies the location of shelters would place such locations at risk of sabotage; the County does not want malcontents to assume that said locations are equipped with resources to handle emergency situations; also, the County does not want citizens to assume that these locations will be open in the event of an emergency situation.</p>	
---	---	----------	---	--	--

<p>2010 Hazmat Annex</p>	<p>Describes viable hazardous materials program to be implemented in an emergency or disaster situation. Establishes authority of Union County Emergency Management, Bureau of Hazardous Materials as the County's only specially trained hazardous materials response program. Identifies places within the County that manufacture, store and process hazardous materials. Response times set forth.</p>	<p>22</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Release of this annex would hinder response times by County hazmat teams; thus resulting in harm to persons and property;</p>	
<p>HMA 1 Chemical Facilities List</p>	<p>List of facilities that store, process and manufacture hazardous materials.</p>	<p>1 (excel spreadsheet)</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Identifies types of chemicals and the location of facilities that store said chemicals; release of this annex would increase the risk of sabotage/terrorism to these facilities; it would also increase the risk of harm to persons and property</p>	

Emergency Operations Plan - Vaughn Index

<p>HMA 2 Facilities Location, Transportation and Vulnerability Maps</p>	<p>Maps demonstrating routes for transporting hazardous materials in the normal course of business.</p>	<p>1 (excel spreadsheet)</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Same as reason provided immediately above.</p>	
<p>HMA 3 Hazardous Materials Evacuation and Traffic Rerouting Procedures</p>	<p>Evacuation routes for hazardous materials</p>	<p>N/A</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>This attachment details the routes utilized to transport hazardous materials; release of this plan would subject the routes to increase in risk of sabotage.</p>	

<p>HMA 4 Hazardous Materials SOP</p>	<p>Standard Operating Procedures utilized by NJ State Police, NJDEP, Office of Homeland Security, and NJ Attorney General to handle hazmat situations</p>	<p>39</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release of this attachment would severely limit the response and operation tactics of several different public entities in the event of a situation involving hazmat; specifically intended for response and handling of domestic nuclear and radiological terrorism.</p>	
--	---	-----------	---	--	--

<p>HMA 5 Hazardous Materials Resources</p>	<p>Union County Hazmat Operating Guidelines</p>	<p>106</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release would substantially interfere and disrupt the response and handling of emergency situations by the County's hazmat; increase risk of sabotage/terrorism and subject citizens to potential harm.</p>	
<p>HMA 6 Hazardous Materials Agreements</p>	<p>County to have agreements with each of the municipalities so the Union County Hazardous Materials Response Unit has the authority to respond in hazardous material emergency and disaster situations.</p>			<p>No exemption claimed</p>	

<p>HMA 7 Hazardous Materials Training</p>	<p>Sets forth time frame within which training must take place and type of training to be provided.</p>	<p>N/A</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Release of this attachment would detail the type of training several different public entities undergo to handle hazmat situations; release of the training techniques would compromise the overall training.</p>	
<p>2010 Law Enforcement Annex</p>	<p>Define and provide guidance for the operation and development of a viable law enforcement program during emergency and disaster situations. Identifies number of personnel available, highlights potential for civil disturbance and/or major crimes because heavily populated county, relevant county roads to be monitored.</p>	<p>7</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Details procedures and response techniques utilized by Union County Police during emergency disasters; release of same would substantially disrupt their ability to protect the citizens of the County during or after an emergency</p>	

LEA-1 Mutual Aid Agreements	Standard Operating Procedures between County Police Department and other public entities	Included in BPA-10	N.J.S.A. 47:1A-1; Executive Order #21 (2002)	Release would substantially interfere with County Police's ability to effectively handle all situations, including situations which require cooperation on the part of other public entities; increase risk of harm to people and property.	
LEA-3 Law Enforcement Resource List	List of resources/equipment owned and utilized by Union County Police Department, including locations of same.	Included in BPA-10	N.J.S.A. 47:1A-1; Executive Order #21 (2002)	Risk to safety and security of building/facility; increase risk of sabotage/terrorism	
LEA-4 Law Enforcement SOPs	Please see BPA-10	Included in BPA-10	Executive Order #21 (2002)	Please see BPA-10	
LEA-5 Recall/Duty Roster	Roster of Union County Police Department	Included in BPA-10	N.J.S.A. 47:1A-1	Personal identifying information	

<p>2010 Public Health Annex</p>	<p>Define and provide guidance for the operation and development of a viable public health program during emergency and disaster situations.</p>	<p>7</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Details the roles and responsibilities of County and municipalities regarding the health of their citizens during an emergency situation; release of same would compromise their ability to properly handle health of the public during emergency situations; increase risk of sabotage/terrorism and subject citizens to potential harm.</p>	
---------------------------------	--	----------	---	--	--

<p>PHA-2 Roster of New Jersey Department of Health and Senior Services</p>	<p>Emergency contact information for employees of all County and municipal health departments located in the State; including addresses and personal cell phone numbers.</p>	<p>40</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Includes personnel identifying information; clearly marked "confidential;" release would expose public to emergency contact information and may severely hinder these professionals from performing responsibilities during or after emergency</p>	
--	--	-----------	---	---	--

<p>PHA-4 Union County NJ LINCS Health Alert Network Management and Operations Plan (MOP)</p>	<p>Ensures the consistent and effective operation of the Health Alert Network on a 24/7 basis for critical communications during a public health emergency; utilized to identify and contain diseases and hazardous conditions that threaten the public's health</p>	<p>83</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release of this attachment would substantially interfere with communications during emergency situation and hamper the County's ability to effectively identify and contain hazardous substances; subject citizens to potential harm</p>	
--	--	-----------	---	---	--

	<p>Plans and actions to be enacted for the protection and welfare of county citizens during emergency, natural and/or man-made disasters. Integrated approach to prepare for and react to life-threatening emergencies of all types by keeping open to emergency traffic, and other traffic arteries.</p>	<p>10</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release of this annex would substantially hinder Public Works' ability to maintain access to roadways, waterways, and drainage systems for first responders, law enforcement officials, and evacuating citizens during an emergency; thus, resulting in harm to people and property.</p>	
<p>2010 Public Works Annex</p>	<p>Same document and same reasons for exemption as attachment DAA-2</p>		<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>		
<p>PWA-1</p>	<p>Sets forth task assignments for critical personnel.</p>	<p>Included in 2010 Public Works</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Same reason as provided in above annex</p>	
<p>PWA-2 Public Works SOP</p>					

Emergency Operations Plan – Vaughn Index

<p>PWA-4 Equipment/Resource List</p>	<p>List the type of resources and equipment employed by Public Works and the location of same</p>	<p>18</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Release of this attachment would place facilities housing said equipment/resources to an increase in risk of sabotage.</p>	
<p>2010 Radiological Protection Annex</p>	<p>Describes development and operation of a viable radiological protection program during disaster and emergency situations to ensure completion of required emergency actions. States equipment used and controlled by County. Identifies radiological monitoring equipment and location of same.</p>	<p>6</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Release of this annex would severely limit the County's ability to protect against a radiological situation; would compromise response and appropriate handling of situation; thus resulting in harm to people and property; identifies equipment and location of equipment.</p>	
<p>RPA-2 Recall/Duty Roster</p>	<p>Personnel Roster</p>	<p>1</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>personal identifying information</p>	

Emergency Operations Plan - Vaughn Index

<p>RPA-3 Entity Detail Report - Union County Office of Emergency Management</p>	<p>Lists all resources and equipment and location of same utilized by Office of Emergency Management</p>	<p>8</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release of this attachment would increase the risk of sabotage/terrorism to the facilities housing the resources/equipment.</p>	
<p>RPA-4 New Jersey Radiological Response Protocol</p>	<p>Same document and same reasons for exemption as attachment HMA-4</p>	<p>39</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>		
<p>2010 Resource Management Annex</p>	<p>Provides for a viable resource management program during disaster and emergency situations. Establishes relevant personnel and resources available to the County.</p>	<p>19</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release of this attachment would severely hinder the County's ability to mobilize resources to aid and protect citizens affected by emergency situations; thus, resulting in harm to people and property</p>	
<p>RMA 1&2</p>	<p>Personnel Roster</p>	<p>1</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Personal identifying information</p>	

<p>RMA-6 Resources Management Standard Operating Procedures</p>	<p>Standard Operating Procedures for the deployment of material resources in the event of an emergency</p>	<p>Included in the annex</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Release would affect the proper deployment of resources to citizens in need during or after emergency situation; resulting in potential harm to safety of citizens; increase risk of sabotage/terrorism</p>	
<p>RMA 7 - Commodities Distribution Plan</p>	<p>Standard Operating Procedures regarding the distribution of emergency supplies and commodities during an emergency situation</p>	<p>8</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Same reason as provided in above annex; release of this attachment may result in civil disturbance, including theft, destruction, and sabotage.</p>	
<p>RMA-9 Resource List</p>	<p>Same document and same reasons for exemption as attachment RPA-3</p>				

<p>2010 Shelter & Reception Annex</p>	<p>Guidance provided to local Shelter Coordinators to development and operation of a viable shelter and care program during disaster and emergency situations.</p>	<p>11</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release of this annex would severely hinder County's ability to adequately and properly determine which shelters should be opened in the event of an emergency and would limit the effectiveness of opening same; increase risk of sabotage to shelters and subject citizens to potential harm.</p>	
---	--	-----------	---	--	--

	<p>List of possible buildings/facilities that could function as shelters during emergency situations</p>	<p>8</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>The County does not want the public to assume that these locations will always be open as a shelter in emergency situations; also, release of this would increase the risk of sabotage/terrorism to malcontents who assume that such locations are equipped with resources associated with shelter locations.</p>	
<p>SCRA 2 Shelter List</p>	<p>Sets forth response guidelines and shelter accommodations for the health, safety and welfare of animals during emergencies and disasters.</p>	<p>Included in 2010 Shelter & Reception</p>	<p>No exemption claimed</p>		
<p>SCRA 6 Veterinary Service and Animal Care</p>					

<p>2010 Social Services Annex</p>	<p>Provides guidance for the development and operation of a viable social services program during disaster and emergency situations. Discusses role of the Union County Division of Social Services as well as the YMCA, Red Cross and other charitable organizations in orchestrating access to and distribution of resources in an emergency or disaster situation.</p>	<p>7</p>	<p>N.J.S.A. 47.1A-1; Executive Order #21 (2002)</p>	<p>Release of this annex would severely hinder the County's ability to maintain viable operations of public welfare and assistance programs; thus, resulting in harm to people who need help the most.</p>	
<p>SSA 4 - Special Needs Group List</p>	<p>Same document and same reasons for exemption as attachment EA-11</p>				

<p>2010 Terrorism Incident Annex</p>	<p>Describes operations plan to develop an enhanced level of preparedness and scope of action based on intelligence indicators to respond to Terrorist Incidents within or in close proximity to the County. Provides for systematic sharing of intelligence, full integration of federal, state and local resources to address acts of terrorism. Provides for the establishment of law and order throughout response and recovery/reconstruction phase following a terrorist emergency. Outlines human and equipment resources available.</p>	<p>17</p>	<p>N.J.S.A. 47:1A-1; Executive Order #21 (2002)</p>	<p>Release of this attachment would substantially increase the County's risk to terrorism; harm to people and property.</p>
